Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

The subject property is a rare holding with features and a price point that differ materially from other properties sold in the relevant period. I believe that fewer than three sales in that period were reasonably comparable, and the sale prices of those properties were not a reliable indicator of the likely selling price of this property.
