Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Whilst there are no true direct comparables, 1/21 Patterson St, which has just come to market, provides the closest benchmark in terms of size and appeal. On this basis, I have recommended a slightly higher price positioning. The fourth bedroom is considered a flexible study/bedroom space.

Sale outcome
