Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Limited comparable sales are available for this property due to its unique offering of a large landholding with a substantial home, combined with its location outside the McKinnon Secondary College Zone. There are no recent directly comparable sales, so the two selected properties provide broader market context rather than direct like-for-like comparisons.
