Reason there are fewer than three comparable properties

[X] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

Due to the limited number of four-bedroom homes sold within The Cape Estate sustainable housing development, the agent considers that only two sales within the past 18 months are comparable to 51 Sunlight Boulevard, Cape Paterson. These are listed as the properties the agent believes are most comparable in features.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
