Reason there are fewer than three comparable properties

[x] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

There were no directly comparable 5-bedroom, 2-bathroom, 3-car properties sold within 2km in the past 18 months. The property's position is unique: it's close to both the water and the town, yet sits in a quiet pocket away from busy traffic. The home has also been updated and landscaped, which makes like-for-like comparisons even harder to find

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
