Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

There have been no direct comparable land sales within The Cape in the past 18 months. 12 Everstar View is an 850sqm vacant lot with uninterrupted ocean views to the south west and an outlook that cannot be built out, providing a unique combination of size, aspect and outlook within the estate. The property also benefits from close walking access to F Break Beach. These characteristics are not readily replicated by other vacant land within The Cape estate making recent direct comparable sales unavailable.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
