Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

The subject property is a 4 bedroom, 2 bathroom, 2 toilet single story unit on approximately 274m2 land. The property features hybrid flooring, floor to ceiling tiles and ducted HVAC with zoning. The property was built in 2023, and has been owner occupied ever since. There is also no body corporate fees associated with the property.

Given that the property is very unique being a large 4 bedroom, 2 bathroom single story unit recently built and with no body corporate, there have been no comparable properties sold within the last 6 months within a 2km radius of the subject property in the last 6 months. Other properties sold have been older hence why they are not comparable to the subject property
