Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

The estate agent reasonably believes that fewer than three comparable properties were sold within five kilometres of the property for sale in the last 18 months. Corinella is a tightly held coastal enclave characterized by low turnover, where substantial residential holdings occupying significant land footprints rarely come to the open market. Recent transactions in the local area consist predominantly of standard-sized suburban dwellings or smaller allotment properties, which fail to

reflect the unique land scope, privacy, structural proportions, and overall utility offered by 2-4 Hamilton Street. Because

conventional local sales do not provide an accurate reflection of this property's distinct market positioning, the price guide has been established through direct asset valuation, replacement cost logic, and broader Western Port coastal property benchmarks.
