Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Only one comparable property has been identified that is considered sufficiently comparable to the property being offered for sale. 38 Quarter Street, Roxburgh Park, has been selected as the most relevant comparable sale based on its location, property type, accommodation and overall characteristics. The comparable property also features a swimming pool, which is a distinguishing feature and has been taken into consideration when assessing its comparability. Other recent sales considered were not sufficiently comparable in terms of property characteristics, condition, land size or improvements.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
