Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

The agent reasonably believes that fewer than three comparable properties were sold within the relevant period because the property is a unique large-scale acreage/lifestyle offering of approximately 20.91 acres, with a substantial residence, extensive accommodation, multiple kitchens and entertaining areas, significant shedding and established grounds. A review of available sales within the prescribed 5-kilometre radius and 18-month period did not identify any sales of sufficiently similar standard, condition, land size and overall property characteristics to be considered genuinely comparable.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
