Reason there are fewer than three comparable properties

☑ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

There are limited direct comparable sales due to the unique nature and limited supply of vacant land within Weathertop Crest. The last sale of a Weathertop Crest vacant lot was in April 2024, more than 18 months ago.

Weathertop Crest is a premium elevated section of The Cape with uninterrupted Bass Strait Ocean Views towards Wilsons Promontory and west towards Cape Woolamai. These attributes are not readily replicated by other vacant land sales within the area, making recent direct comparable land sales limited.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
