Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

There were fewer than 3 comparable property sales within the prescribed period and location due to limited recent sales activity

Very similar location. Same house specs. 4 Bed, 2 Bath. Larger in land size. Doesn't have the 24m x 9m shed with internal office that 26 Dentrys Rd has.

There were fewer than 3 comparable property sales within the prescribed period and location due to limited recent sales activity
