Reason there are fewer than three comparable properties

✓	**I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

There have been fewer than three comparable properties sold within the last six months and within a 2 km radius of the subject property.
While there have been other unit and townhouse sales within Keysborough during this period, the subject property is relatively unique in terms of its age, build quality, configuration and body corporate fees.
