Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

There are limited directly comparable sales available for this property due to its unique position within the Huntly market. The block is located within a subdivision in central Huntly, whereas most other estates and recent land sales are positioned on the outskirts of the township. The allotment is also considerably larger than most recently sold blocks in Huntly, making direct comparisons difficult. Its combination of larger land size and central location sets it apart from typical residential land currently available or recently sold in the area.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.

There are limited directly comparable sales available for this property due to its unique position within the Huntly market. The block is located within a subdivision in central Huntly, whereas most other estates and recent land sales are positioned on the outskirts of the township. The allotment is also considerably larger than most recently sold blocks in Huntly, making direct comparisons difficult. Its combination of larger land size and central location sets it apart from typical residential land currently available or recently sold in the area.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
