Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Only 2 comparable sales have been identified due to the property's unique nature. While Buln Buln is primarily comprised of larger rural holdings, extensive renovated homes or smaller residential blocks. The subject property is pretty much in original condition on a 3,300 approx. block with double garage and shed. The combination of its location, land size and condition is not readily replicated in recent local sales evidence within an 18month timeframe and 5km radius.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
