Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Due to the unique characteristics of 43 Balmoral Gardens, Leopold, it was not possible to identify any directly comparable sales that closely matched the property.
The property is an approximately eight-year-old dwelling situated on a substantial ¾-acre allotment, which is atypical for the predominantly suburban residential character of Leopold. Larger residential allotments within the area are generally associated with older established homes, while properties on similar-sized parcels tend to be hobby farms or semi-rural holdings, with differences in age, improvements, use and overall property characteristics.

As a result, there are no recent sales that provide a true like-for-like comparison in terms of land size, dwelling age, location and overall property profile. Any comparable sales considered therefore require appropriate adjustment to

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
