Reason there are fewer than three comparable properties

☐ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Having reviewed recent sales within a 5km radius over the preceding 18 months, I have been unable to identify more than 2 properties sufficiently comparable in location, size, condition and key features to provide a meaningful direct comparison. The estimated selling price has therefore been determined using these two properties and my knowledge of the local market, broader sales evidence and the individual characteristics of the property.
