Reason there are fewer than three comparable properties

☑ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

I have searched for 953 sqm property in the past 6 months and none are comparable. This property has 2 separate dwelling on the title and is situated on the main road. Most of the 5 bedroom homes available were one brand new house or a renovated 5 bedroom home.
